

PUBLIC NOTICE

The Cliffside Park Housing Authority is searching for anyone who knows Walter Mulvaney. Mr. Mulvaney is a resident living in an apartment in the Cliffside Park Housing Authority Senior Building located at 500 Gorge Road in Cliffside Park, New Jersey. The Housing Authority has no next of kin for Mr. Mulvaney. In an effort to salvage Mr. Mulvaney's belongings and vehicle after his death, we are trying to reach out to anyone who may know him.

Housing Authority procedures require that if a tenant does not pay rent and/or the tenant has not lived in the apartment and has not contacted the Housing Authority for thirty days, even if deceased, the Housing Authority will begin the process to empty the unit. The Housing Authority does not want to empty Mr. Mulvaney's apartment if a family member may be available; however, if we do not hear from anyone, we cannot leave the apartment vacant or go without a rent payment for two months.

If anyone reads this Public Notice and knows Mr. Mulvaney, we look forward to hearing from you to help her and discuss other options.

Executive Director, CPHA
